highlights

Seliger Russia:

In July 2012, the office of youth affairs in Russia paid my way to lecture at an international youth forum, located in Tver, Russia, about running a business online

Learning & Working:

Corn Fed Sports is the thesis project for my master's degree, and in addition has turned into a business venture that provides paid student internships at UNL

Going "Jachting":

My first foray outside of journalism was as a founding member of Jacht, where I helped play a role developing the project as well as the actual client work

education

University of Nebraska-Lincoln

- Graduated Dec. 2011, B.J. in News/Editorial
- M.A. Professional Journalism, Ex. Graduation May '16
